AGENDA ITEM # 5

TO: Library Commission
FROM: Peggy Ford, Staff Liaison
SUBJECT: Parking at Los Altos Main Library

RECOMMENDATION:
Receive staff report

BACKGROUND

Recently during a County holiday, a portion of the Library parking lot was full when the Library itself was closed for the holiday. A member of the community brought the occurrence to the attention of commissioners.

DISCUSSION

Commissioners would like to discuss if anything can be done in a situation such as the one mentioned above. Staff consulted the Los Altos Police Chief, Tuck Younis. From the Police Department perspective, given there are no legally enforceable posted regulations in place, the only violations they can enforce are those associated with handicapped parking.
